The Town Excursion

On the town excursion we all had a quiz. It was fun. I was a buddy with Daman. First we all went to Pioneer Village. There was a lot of old stuff. Kyemma and I loved the crystals. After Pioneer Village we all went to the churches. On top of the church there was a pigeon. Mrs Eddy found the symbol for church. Next we went to the Art Gallery. Jackson found his Gran's painting on the wall. Out the back there was a picture made out of smashed plates. After that we went to the Australia Café. I had nuggets and chips. Their milkshakes were delicious! We all went to visit Melissa Simmonds' shop. She gave us all a rainbow pencil. Then we went back on the bus to school. My favourite part of the day was Melissa's shops.

The Town Excursion

First we went to Pioneer Village. We looked at the old homes and schools. After that we had morning tea. After morning tea we went on the bus again. We went to see the churches. Next we went to the Australia Café for lunch. I had chicken nuggets and my drink was a strawberry milkshake. The place that I liked the most was the Art Gallery because my Gran's painting was there.
