Birthday to
Clarice on the
25th of October.*

*Happy Birthday
to Miss Gae on
the 25th October.*

*We hope you all
have a great day.*

Welcome to Week 3

Welcome to Week 3 – This week we will be welcoming our 2023 Kinder students for their first transition day and I am sure they will be very excited to experience 'big school' for the first time. Last Friday the primary students worked very hard creating their 'mini-world' clay structures with Mrs Walburn. It is always a pleasure and privilege to have Mrs Walburn teach our students the art of working with clay – the infants clay day is this Friday. Have a lovely week from Mrs Coddington.

Musica Viva Thursday, 27th October, 2022

We are looking forward to welcoming Delungra students to Gum Flat for a performance of "Timmy and the Breakfast Band" as well as participating in some sports games on the oval this Thursday.

Infants Clay Day Friday, 28th October, 2022

Mrs Walburn will be working with the Infants Class to make their clay models. Infants students are asked to wear plain clothes for this activity as the clay will stain if it gets on clothing.

Posties Breakfast

Gum Flat Public School will host the Variety Postie Bike Big Bash on Monday, 31st October. Please return the survey page asking for community and parent assistance with the event as soon as possible.

Healthy Harold.

Healthy Harold will be visiting the school on Thursday 3rd November. Harold will have some merchandise for sale, but have asked that we pre order. Please complete the order form attached to last week's newsletter and return to school with the money by Tuesday if you would like to purchase any items.

Primary Clay Day
