Inverell

*Happy 13th*  
*birthday to*  
*Domíník today.*

*Happy 6th*  
*Birthday to*  
*Charlie on the 3rd*  
*November.*

### **Welcome to Week 4**

A huge thank you to the parents, community members and staff who helped to make our Variety Postie Bike Dash a huge success. Your help was most appreciated. The Variety Club has donated \$5500 towards the purchase of STEM equipment. They also supplied funding for breakfast, which has given us a \$600 profit. There were so many compliments on the food and the beautiful environment and to have a koala in the tallowwood tree was an added bonus.

Healthy Harold—Thursday 3rd November.

Healthy Harold is visiting in his van this Thursday. The Primary Class will be talking about "Relate, Respect & Connect" and the Infants Class will be learning and talking about "Safety Rules." If you would like to purchase any Healthy Harold merchandise, please bring your money on Thursday.

Get Hooked on Fishing— Thursday 10th November

Staff from the NSW Department of Primary Industries—Fisheries will visit to work with students on a program "Get Hooked... It's Fun to Fish". Mr Butler and the Infants class will take part in an adventure on the oval learning how to tie their lines, cast lures etc.

The Primary Class will travel to Copeton Dam to participate in a course which will teach the basic skills necessary for recreational fishing with the view that it will become a lifelong interest. A permission note is attached.

Clay Work with Mrs Walburn

Thank you to Mrs Walburn for coming to Gum Flat School and working with us on our clay. Students have made some great pottery figures, these have now been placed in the kiln for firing. Once they are returned, students will paint their figures.

School Presentation Night and Concert.

After a long break, this year we are able to hold our School Presentation Night and Concert in the Gum Flat Community Hall. The date for the concert is the 15th December, commencing at 7.00pm

Students are asked not to wear jewellery, bangles etc to school. Students may wear stud earrings if they have pierced ears and their watches. Students are at risk of injury if they get necklaces, rings etc caught when they are playing.

Thank you.

Postman Pat and the Black and White Cat receiving cards that the students had written for the children who are currently receiving treatment in hospital. Students wrote about their families, their hobbies and their school. They did a great job. Thank you to Ms Angel for assisting them to make their cards and write on them.

Students also sang the Postman Pat song and received a great applause from Postman Pat and our visitors.

Last Monday students involved in the Clontarf Program at Inverell High School visited our school for an afternoon of sport. Our students enjoyed playing a variety of different games with the high school boys. Hopefully we will be able to have another afternoon together again this term.

Students from Delungra Public School joined us for a performance of "Timmy and the Breakfast Band" and some fun in the playground.
