to Brody on the 4th
September.*

[Welcome to Week 7](#)

I would like to thank the transition staff of Inverell and Macintyre High Schools for a very productive small schools' transition day last week. It gave our Year 6 students the opportunity to meet some of the staff and students who will be part of their high school journey next year. This week is shaping up to be quite busy with preparations underway for our Book Week Day on Thursday and congratulations to Ruby, Dom, Rocco, Fred and Daniel who are training hard for the Regional Athletics in Tamworth on Friday. Enjoy the touch of Spring weather – from Mrs Coddington.

[What's Happening this week!](#)

[Book Week](#)

Gum Flat School is celebrating Book Week this Thursday, with a costume parade and morning tea. The parade will commence at 9.30am and staff and students would like to invite parents, carers, grandparents and special friends to attend the parade and morning tea which will be supplied by the staff and students. Mrs Irwin has great activities planned to Celebrate Book Week, If you need help with costumes, we have a supply of costumes at the school, please call before Thursday if you need to browse through the box.

[Regional Athletics](#)

Congratulations to our Athletics team heading to Tamworth on Friday. Good luck to Fred, Ruby, Daniel, Rocco and Dom. Thank you parents/carers for your support with this event.

[Legacy Week.](#)

Senior students will be selling Legacy Merchandise in front of the school each afternoon this week. Mr Rick Ellis, President of Legacy spoke to our students today about what Legacy stands for and how they support the community.

[P&C Lunch](#)

The next P&C lunch will be held on Friday, 9th September. Order forms will be sent home on Thursday and should be returned by Monday 5th September.

High School Transition Day Reflections

I loved transition because there was a science class where our science teacher blew up a balloon with hydrogen and when he blew the balloon up out came a sphere of fire.— Dominik Law

The first day of transition was really fun and one of the things we did was woodwork. — Emma Wilson

We had a fun time at transition, one thing we did was baking and we got to make bear cupcakes and they were yum. — Bella Latimer

I loved transition because we did woodwork which was one thing I couldn't wait for going to high school, so it was cool to do it. — Fred Miller
