### **WELCOME TO WEEK 8**

Well done to all staff and students who battled the elements last week and successfully completed our swim school. A big thanks to Di Barber (swim instructor), Glen (pool manager) and Mr. Coddington (bus driver) for making our week a most enjoyable and worthwhile experience. It was great to see so many students trying their best and improve their swimming and safety skills throughout the week. Thank you to the parents for making sure your children had plenty of food each day to keep them warm, had their swimming gear ready each day and were on time to catch the bus each morning. By working together as a school community, it is our students who reap the benefits.

Well done everyone from Mrs. Coddington.
